Youth Education Bursary Application

Policy Statement

Council is committed to creating opportunities for young people to pursue further education through an annual Youth Education Bursary. Council's selection process aims to be fair, equitable, inclusive and capable of withstanding public scrutiny.

Council is committed to supporting equitable access to the program. As part of this commitment, Council encourages applications from Aboriginal and Torres Strait Islander young people and also promotes awareness of the program across the community to support a broad interest and participation.

Youth Education Bursary aims to encourage Alice Springs-based residents to continue to study by providing financial support.

Applications are assessed by a panel and presented to Council for Elected Members to endorse.

Recipients are invited to attend the Australia Day Citizenship and Awards Ceremony where they are presented with their bursary.

The total bursary value per successful applicant is \$2500. Before payment is made, Council requires a copy of a study acceptance letter for TAFE and University students, including a study commencement date, or an enrolment confirmation for secondary school students.
